

Idea Management

Before you can apply process improvement methodologies or submit for cash awards you need to identify opportunities.

Fort Drum is very interested in tapping into the immense potential and creative power embodied by our talented, experienced workforce. [Submit your ideas](#) to the BT team for action by the senior leadership, 772-1299 or [email](#).

Need help finding opportunities?

The Business Transformation Team can assist you and your team by providing [Idea Generation](#)

[Presentations](#), conducting [Process Opportunity Workshops](#), or working

with you individually to look at your work to find opportunities.

Schedule an Idea Generation Presentation or Process Opportunity Workshop by calling (315) 772-1299 or [email](#) .

Idea Generation Presentations: provide your team a perspective, basic overview of process improvement and an overview of basic tools to identify improvement opportunities in the work place.

Process Opportunity Workshop: A focused team event designed to utilize the collective brain power of the team to review current processes and requirements for improvement opportunities.
